Other

- Member Suggestion: Electronics Recycling Legislation (Betty Byrne Ware)
- Member Suggestion: Construction and Demolition Recycling (Andy Vojtecky)

Directions to the Central Virginia Waste Management Authority (CVWMA) Office:

From the North via I-95 S:

- Exit I-95 S at Exit-78 (VA-161 / N Boulevard)
- At the bottom of the exit ramp, turn left. The Holiday Inn is directly across the street.
- Pass through the next intersection. From here, Boulevard is now Hermitage Road.
- Laburnum Avenue is the next intersection; there will be a large monument of A.P. Hill on horseback. Turn left.
- After approximately a half mile, you will see the entrance to I-64 W on your right. Pass under the interstate and there will be an office complex (red brick with black windows) on the right.
- Turn into the second entrance of the complex. To your immediate left there is a one-story building with the numbers 2100 above the windows. CVWMA is located in this building, however our entrance is on the opposite of the building (not the side that faces Laburnum).
- On your right is the parking lot. Drive straight until you see the sidewalk between the one-story building and the two-story building (2104). There will be a small sign next to the sidewalk that will direct you to CVWMA.
- Park near the sidewalk and use it to find the entrance to the office, which is Suite 105 (facing the courtyard).

From the South via I-95 N:

- Cross the James River on I-95 N. Immediately north of River, take the Downtown Expressway Exit, heading west.
- After passing through the Downtown Expressway toll plaza (S0. 35), bear to the right at the Powhite Bridge/Parkway turn-off and follow I-95 North.
- Take the Laburnum Ave. Exit from I-95; turn right at the bottom of the off-ramp.
- Turn left immediately into the Interstate Office Complex.
- Immediately turn right so that you are driving through the parking lot between the building and Laburnum.
- At the end of the row of buildings, turn left, away from Laburnum.
- To your immediate left there is a one-story building with the numbers 2100 above the windows. CVWMA is located in this building, however our entrance is on the opposite of the building (not the side that faces Laburnum).
- On your right is the parking lot. Drive straight until you see the sidewalk between the one-story building and the two-story building (2104). There will be a small sign next to the sidewalk that will direct you to CVWMA.
- Park near the sidewalk and use it to find the entrance to the office, which is Suite 105 (facing the courtyard).

From the West via I-64 E:

- Merge with I-95 S and follow the directions above for “From the North via I-95 S”.

From the East via I-64 W:

- Merge with I-95N.
- Take Exit 78 Boulevard from I-95 N
- At the bottom of the exit ramp, turn left and go under the interstate.
- At the next light, turn right onto Robin Hood Road.
- At the next light, turn right onto Boulevard.
- At the third intersection (Laburnum Ave), turn left; there will be a large monument of A.P. Hill on horseback in the middle of the intersection.
- After approximately a half mile, you will see the entrance to I-64 W on your right. Pass under the interstate and there will be an office complex (red brick with black windows) on the right.
- Turn into the second entrance of the complex. To your immediate left there is a one-story building with the numbers 2100 above the windows. CVWMA is located in this building, however our entrance is on the opposite of the building (not the side that faces Laburnum).
- On your right is the parking lot. Drive straight until you see the sidewalk between the one-story building and the two-story building (2104). There will be a small sign next to the sidewalk that will direct you to CVWMA.
- Park near the sidewalk and use it to find the entrance to the office, which is Suite 105 (facing the courtyard).
